

but this will only delay  
the heartbreak

It might also be tempting  
to just go with it

and try to guide them in  
a new direction.

and make it hurt more  
in the long run.

Instead, try to let your rejection be as gentle as possible

and live a life with them

a life of lies.

# HOW to LOVE

Victoria Wang asks:

How to reject someone  
without hurting  
their feelings?

Really, there is no way to  
avoid hurting their feelings

and it might be tempting to  
give them hope & spare thier  
feelings

Sometimes someone we care  
about has feelings for us
